Japon / Nishinomiya Storks (2020/2021)

RÉSUMÉ

NCAA2 2016/17. Matt Bonds 1.98m 105kgs, poste 4/3 USA Senior / passe pro l'an prochain. 22pts 56%, 67% LF, 12.6 rbds (!!!), 2.4 pds, 1.3 int, 3 Bp, 23 d'éval en 34 min à Saint Michael's College. 2° rebondeur de NCAA2. Un joueur comme il en existe tant aux USA, trop petit pour jouer pur 4 / pas assez adroit pour jouer pur 3. Mais celui-ci est un petit phénomène physique qui rendrait de fiers services à une NM1 voir à une Pro B équilibrée. En constante progression lors de ses 4 années universitaire. Cette année, pour sa première saison pro, il faudra le suivre en Ligaen, la première division danoise, puisque les HORSHOLM 79 lui ont accordé leur confiance. (Scouté le 23 mars 2017).

Et voici le 54eme joueur déniché par French Basketball Scouting. Vu au Danemark sous les couleurs des Hørsholm 79ers pour cette saison 2017/18 où il a terminé meilleur marqueur du championnat avec ses 22,6 points, 9,5 rebonds et 2,4 passes pour 25,7 d'évaluation en 30 minutes, l'Américain Matt Bonds (1,96 m, 22 ans) s'engage avec Boulogne-sur-Mer en Nationale 1 pour l'exercice 2018/19. Il vivra au sein du SOMB sa première expérience en France. Repéré par FBS en mars 2017, l'ailier évoluait à l'époque en NCAA 2 à St.Michael's College (21 points, 12 rebonds de moyenne). (mise à jour le 24 juin 2018).

SUMMARY

NCAA2 2016/17. Matt Bonds 1.98m 105kgs, position 4/3 USA Senior / turn pro next year. 22pts 56%, 67% LF, 12.6 rbds (!!), 2.4 rpg, 1.3 int, 3 bp, 23 d'éval in 34 min at Saint Michael's College. 2nd NCAA2 rebounder. A player like so many in the USA, too small to play pure 4 / not dexterous enough to play pure 3. But this one is a small physical phenomenon that would be of great service to an NM1 or even a balanced Pro B. Constantly progressing during his 4 years of university. This year, for his first professional season, we will have to follow him in Ligaen, the Danish first division, since the HORSHOLM 79 have placed their trust in him. (Presented on March 23, 2017).

And here is the 54th player unearthed by French Basketball Scouting. Seen in Denmark in the colors of the Hørsholm 79ers for this 2017/18 season where he finished as the top scorer in the league with his 22.6 points, 9.5 rebounds and 2.4 assists for a 25.7 rating in 30 minutes, the American Matt Bonds (1.96 m, 22 years old) joins Boulogne-sur-Mer in National 1 for the 2018/19 season. He will have his first experience in France with the SOMB. Spotted by FBS in March 2017, the forward was playing in NCAA 2 at St. Michael's College at the time (21 points, 12 rebounds average). (Updated June 24, 2018).
