## RÉSUMÉ

Derrick Barden. 1,96 m, 102 Kg, né le 2 juin 1992, Américain. Poste 4.

Passé par un JUCO (Odessa) en 2011/2012 puis formé à N.Colorado durant deux saisons (2012-2014). Non drafté à la fin de son parcours scolaire. 14 points, 7,7 rebonds et 1,3 passe en 2013/2014.

Joue au Luxembourg depuis 2014. Vu à Soleuvre (2014-2016) puis Etzella (2016-maintenant), il tourne en double-double Points/Rebonds depuis trois saisons.

Pour cet exercice 2017/18 , il est reparti sur les même bases : 21,8 points, 9 rebonds, 3 passes pour 29,2 d'évaluation en 36 minutes sur 10 matchs. Une pointe à 44 (!) d'évaluation déja.

Poste 4 capable de switcher en 5 par séquences. Ça sent bon le coup de fusil qui pourrait intéresser des clubs de NM1. En effet rappelons-nous de la réussite de Craion à Lorient l'an passé, heureux coach Maucourant qui avait tenté le coup. C'est aujourd'hui tout bénef pour Saint-Vallier. Derrick Barden, lui, a 4 ans de moins, il fait partie de ces joueurs sous-cotés qui compensent leur manque de taille et de reconnaissance par un engagement de tous les instants. Après 4 années passées au Luxembourg, il est temps pour lui de passer à un niveau supérieur, car cet athlète dispose d'un joli potentiel, et nul doute qu'il ne vous décevra pas pour un small-ball "à la française".
(Repéré le 24 mars 2016 et mis à jour le 29 décembre 2017).

## SUMMARY

Derrick Barden. 1.96 m, 102 Kg, born on June 2, 1992, American. Post 4.

He played for JUCO (Odessa) in 2011/2012 and then trained in N.Colorado for two seasons (2012-2014). Not drafted at the end of his school career. 14 points, 7.7 rebounds and 1.3 assists in 2013/2014.

Played in Luxembourg since 2014. Seen at Soleuvre (2014-2016) and Etzella (2016-now), he has been turning in double-double Points/Rebounds for three seasons.

For this 2017/18 season, he started on the same basis: 21.8 points, 9 rebounds, 3 assists for a 29.2 rating in 36 minutes over 10 games. A peak of 44 (!) of evaluation already.

Position 4 capable of switching to 5 per sequence. It smells like a shotgun that could interest NM1 clubs. Indeed, let's remember the success of Craion in Lorient last year, happy coach Maucourant who had tried it. It is now all to the benefit of Saint-Vallier. Derrick Barden, on the other hand, is 4 years younger, he is one of those underrated players who compensate for their lack of size and recognition with a commitment at all times. After 4 years spent in Luxembourg, it is time for him to move to a higher level, because this athlete has great potential, and there is no doubt that he will not disappoint you for a "French-style" small-ball.
